

Cheesecake Cookie Bars

2 large 16.5 oz. tube Chocolate Chip cookies
2 box 8 oz. Cream cheese
1/2 cup Sugar
2 Eggs
1 tablespoon Vanilla extract

Oven 350 – 9x13 pan

1. Make sure spray grease on 9x13 pan. Need take 1 tube of chocolate chip cookies put all cookies on the pan, press the cookies to make it even (don't have to be perfect) put the pan in oven for about 10-15 minutes or golden, take out and leave it aside.
2. Mixing cream cheese, sugar, eggs and vanilla extract altogether then pour on top of the chocolate chip cookie.
3. Now on 2nd tube of chocolate chip cookies, make sure its very thin slice. Put all the thin cookies on top of the cream cheese mixture (make sure the cookie dough cover mostly of the mixture). Put in oven for 45 minutes. When done and cool, put in refrigerator when ready to serve, it will cut the bars better!
