HANDCRAFTED W/ YOU IN MIND

As a CODA (Child of Deaf Adults), I had a unique experience growing up with both of my parents being profoundly deaf. Also, my Grandma Rebecca Hill, who passed away, was deaf as well as one of 1st to attend the 1st American School for the Deaf in West Hartford, CT. Growing up, I had to interpret spoken English to ASL for my parents for many different occasions. I learned from my parents, as well as my older sister. Our parents took us to deaf & hard of hearing exclusive pop-up events, such as amusement parks, cookouts, bingo, etc. ImpacteesCustom Designs are exclusively inspired by the ASL Deaf Lifestyle & Culture.

Our "LOVE ASL" shirt. Made with 100% Airlume combed and ring-spun cotton, a lightweight fabric that is easy to layer, breathable. Perfect for active and leisure wear.
